

KYLEMORE ABBEY®

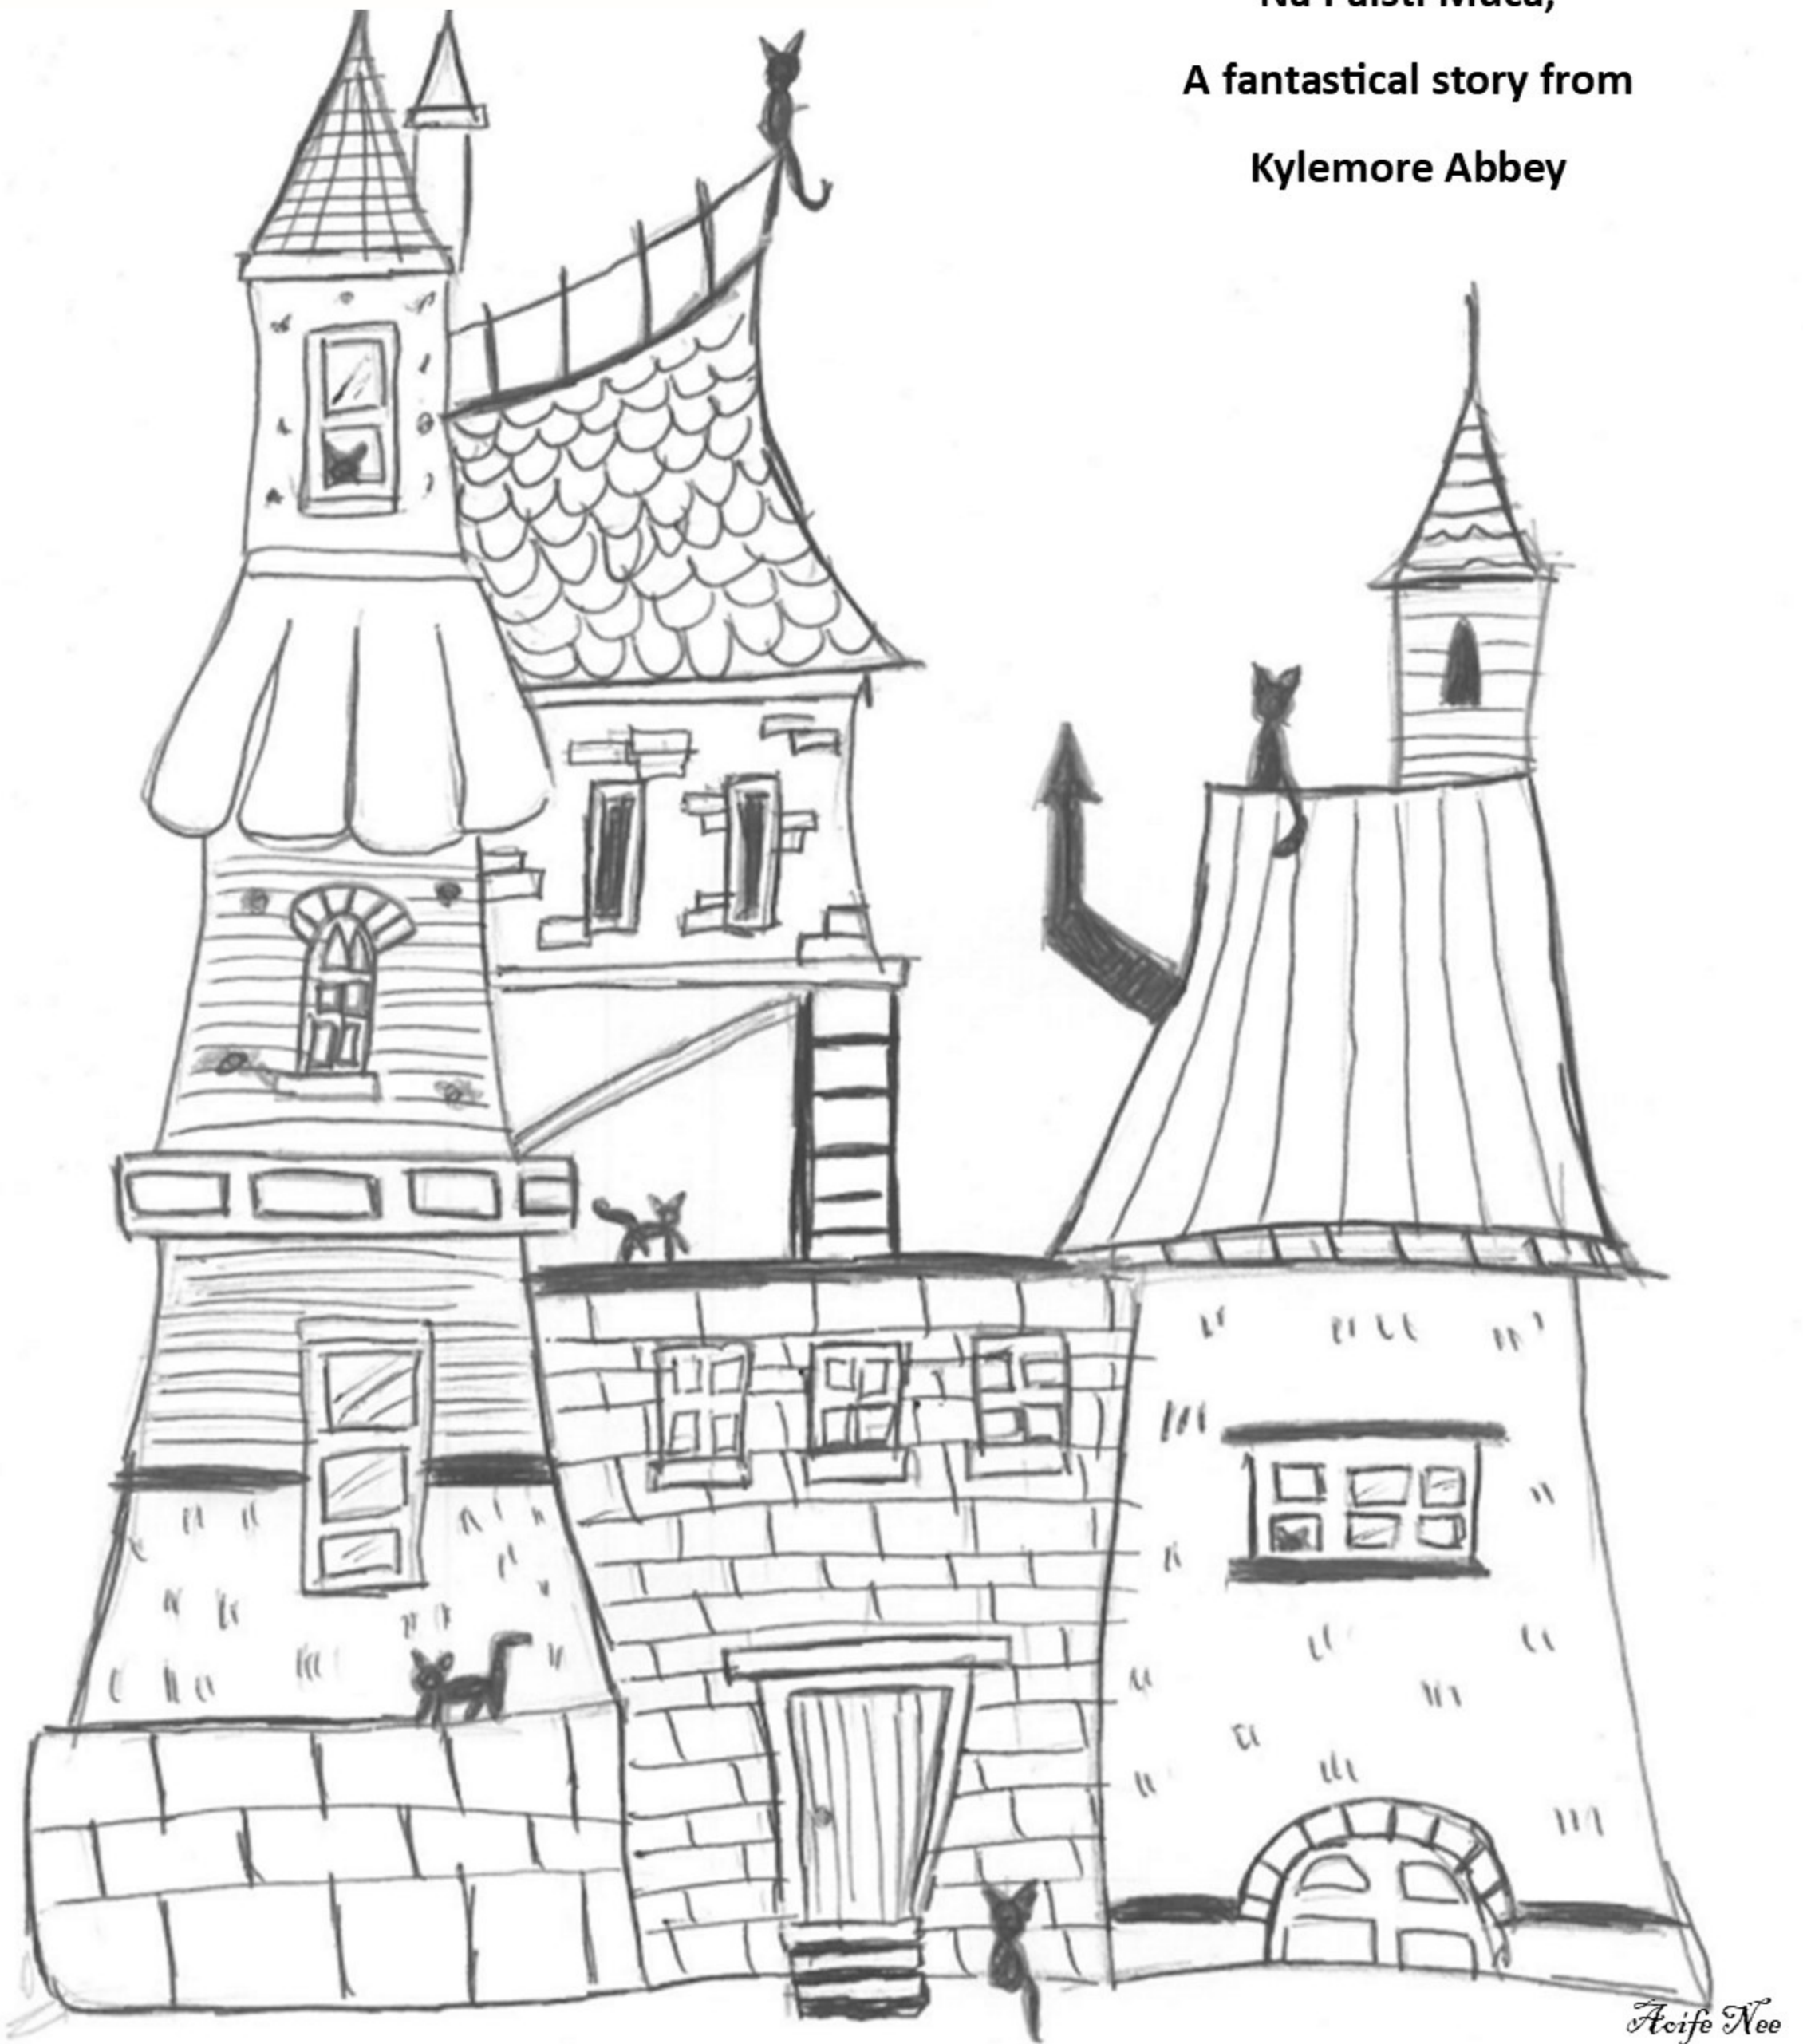

& VICTORIAN WALLED GARDEN

The Cailleach's House from

Na Paistí Múca,

A fantastical story from

Kylemore Abbey

“He went off on a dark evening and then came to a stop at her house, it was magnificent,
the

windows were lit by these sparkly candles, the inside and outside of the house was swarmed with
cats with green and blue eyes. They purred and followed Mr. Comfort as he made his way to the
door. ”
